

FREEDOM OF INFORMATION POLICY

SANDON PRIMARY ACADEMY

Mrs R Beckett (Principal)

Review date: September 2025

1. Background

This policy has due regard to the following legislation:

- Data Protection Act 2018
- Freedom of Information Act 2000
- The Freedom of Information and Data Protection Regulations 2004

2. Accepting Requests for Information

We will only accept a request for information which meets all of the following criteria;

- It is in writing
- It states the name of the applicant and an address for correspondence
- It describes the information requested

A request will be treated as made in writing if it meets all of the following requirements;

- It is transmitted by electronic means
- It is received in legible form
- It is capable of being used for subsequent reference

3. Provision

General right of access to information held by the school

Provided that the request complies with section 2 of this policy, we will, no later than 20 working days from receipt of the request, comply with our duty to;

- Confirm or deny to any person making a request for information to the school, whether we hold information of the description specified in the request
- Provide the documentation, if we confirm that we hold the requested information

We will not comply with the above where;

- We reasonably require further information to meet a freedom of information request, have informed the applicant of this requirement, but were not subsequently supplied with that further information
- The information is no longer readily available as it is contained in files that have been placed in archive storage or is difficult to access for similar reasons
- A request for information is exempt under part 2 of the 2000 Act
- The cost of providing the information exceeds the appropriate limit
- The request is vexatious
- The request is a repeated request from the same person made within 60 consecutive working days of the initial one
- A fee notice was not honoured

Where information is, or is thought to be exempt, we will, within 20 working days, give notice to the applicant which;

- States the fact
 - Specifies the exemption in question
 - States why the exemption applies

4. The Appropriate Limit

We will not comply with any freedom of information request that exceeds the statutorily imposed appropriate limit of £450.00.

When determining whether the cost of complying with a freedom of information request is within the appropriate limit, we will take account only of the costs we reasonably expect to incur in relation to;

- Determining whether we hold the information
- Locating the information, or a document which may contain the information
- Retrieving the information, or a document which may contain the information
- Extracting the information from a document containing it

Costs related to the time spent by any person undertaking any of these activities outlined above on behalf of the school, are to be estimated at a rate of £25.00 per person, per hour.

Where multiple requests for information are made to the school within 60 consecutive days of each other, either by a single person or by different persons who appear to be acting in concert, the estimated costs to the school of complying with all of them.

5. Charging Fees

We may, within 20 days, give an applicant who has requested information from the school a written notice stating that a fee is to be charged for our compliance.

Fees charged will not exceed the total cost to the school and will not include;

- Informing the person making the request whether we hold the information
- Communicating the information to the person making the request

Where a fee is to be charged, we will not comply with section 3 of this policy unless the requested fee is paid within a period of three months beginning on the day on which the fees notice is given to the applicant.

We will not take into account any costs which are attributable to the time spent by persons undertaking any of the activities mentioned in section 4.

When calculating the twentieth working day in which to respond to a freedom of information request, the period beginning with the day on which the fee notice is given to the applicant and ending with the day on which the fee is received, will be disregarded.

6. Reporting

Means by which communication is to be made

Where, on making a request for information, the applicant expresses a preference for communication by any one of the following means, the school will, as far as is practicable, give effect to that preference;

- The provision to the applicant of a copy of the information in permanent form or in another form acceptable to the applicant
- The provision to the applicant of a reasonable opportunity to inspect a record containing the information
- The provision to the applicant of a digest or summary of the information in permanent form or in another form acceptable to the applicant

7. Providing Advice and Assistance

We will meet our duty to provide advice and assistance, as far as is reasonable, to any person who proposes to make, or has made, requests for information to us.

8. Monitoring and Evaluation

This policy will be reviewed on an annual basis.

9. Statement of Intent

As an educational provider, our school has an obligation to publish a Freedom of Information Statement, outlining how we will meet our duties in relation to this matter. The development and effective implementation of this policy fulfils that requirement and more specifically outlines;

- How our school will respond to requests from individuals for access to information held about them
- The school's policy and procedure for the release and publication of private data and public records

It also clarifies our position regarding the appropriate limit to the costs incurred by the school in obtaining any requested information.

Parents are informed of this policy on the school website. Paper copies are available on request.
