## Staffing Structure

There is a staffing structure in place across the Academy that reflects the needs of across the setting. This structure is fluid and often needs amending throughout the year.

The Personnel and Finance committee will be presented with any amendments to the structure and only when additional vacancy has been ratified will the recruitment process commence. Minutes will reflect this.

In the event of a Section 188 Notice of redundancy the above process will also be followed with minutes to reflect this.

## Advertising Process

The Academy predominantly uses three recruitment outlets:

Newcastle Under Lyme College

In the event of a targeted recruitment to fill a vacant post the advertising process may be shortened however this is at the discretion of the Principal and ratification from Finance and Personnel committee.

## Applications and Shortlisting

Visits to the school are an expectation unless at the Principal discretion.

No late applications will be considered.
