

# P.E and Sport Premium Funding 2023 – 2024

The funding aims to:

- Support schools in making additional and sustainable improvements to the quality of the P.E and sport on offer

## Total funding received/ to be received:

**November 2023 – £11,684**

**May 2024 - £8,346**

**Total allocation for 2023-2024 - £20,030**

### Key achievements to date

- PE is taught by a specialist PE teacher since January 2022.
- Jumping pillows have been installed in July 2022 for Early Years and KS2.
- Dinner time clubs run daily for children in KS2.
- The variety of sport offered to pupils across the school has been enhanced (PE lessons, dinner time clubs and after school clubs).
- Stronger links have been established with other schools - Selected KS2 pupils are engaging competitively in sports by representing their school more frequently e.g. friendly matches with other schools, City Swimming Gala and Northwood Stadium.
- Gifted and Talented/Lower ability swimmers are targeted and offered extra swimming lessons.
- SEN/EHC children engage in weekly intervention sessions with our specialist PE teacher.
- In summer 2023, our Y6 children started to engage in sports leader roles.

### Areas for further improvement and baseline evidence of need:

- PE lead/PE Teacher to engage in further CPD opportunities.
- To seek new opportunities to engage in competitive sports.
- To continue to target SEN/EHC pupils who are struggling to meet National Curriculum objectives (interventions) and those who are deemed less active in lessons.
- To further promote pupils' leadership skills when leading sport during dinner times (Year 6 Sports Leaders) which will help to ensure children are physically active during break and dinner times.

Meeting national curriculum requirements for swimming and water safety

Please complete all of the below:

What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	78%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	78%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	100%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	Yes Gifted and Talented Swim Club every Wednesday, Thursday and Friday

\*Schools may wish to provide this information in April, just before the publication deadline.

## Action Plan and Budget Tracking

Key indicator 1: Increase all staff's confidence, knowledge and skills in teaching PE and sport				Percentage of total allocation: 2.2%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
High quality PE lessons are taught across all areas of PE to all pupils despite age and ability with a particular focus on healthy participation.	PE lead and PE teacher to engage in further CPD opportunities – Gymnastics.  -Managing conflict within competition.  -Mentoring from local sport's club for vulnerable pupils	£450	Monitoring – increased confidence in teaching Gymnastics.  Ensuring high quality provision in all PE lessons via teaching and learning monitoring.  Reduced number of yellow cards	Continued upskilling of the staff workforce so that they feel confident and able to lead a PE lesson independently.

			within PE lessons.	
<b>Key indicator 2: Increasing engagement of all pupils in regular physical activity and sport</b>				<b>Percentage of total allocation: 4.9%</b>
<b>School focus with clarity on intended impact on pupils:</b>	<b>Actions to achieve:</b>	<b>Funding allocated:</b>	<b>Evidence and Impact:</b>	<b>Sustainability and suggested next steps:</b>
Children are more physically active throughout the school day.	Lunch time sports club run by local football club – Port Vale for Y1 and Y2.  After school football club run by Port Vale for Y3 and Y4.  Purchase of new equipment for use at playtimes and lunch times for example golf and tennis equipment.	£1,000	Children to be more active for longer, sustained periods of times.  Improved fundamental skills and locomotion.	An increased amount of children will develop a love for sport which will encourage children to participate in a variety of sports long-term.

<b>Key indicator 3: Raising the profile of PE and sport across the school, to support whole school improvement</b>				<b>Percentage of total allocation: 0.6%</b>
<b>School focus with clarity on intended impact on pupils:</b>	<b>Actions to achieve:</b>	<b>Funding allocated:</b>	<b>Evidence and impact:</b>	<b>Sustainability and suggested next steps:</b>
To actively encourage pupils to take on leadership or volunteer roles at play times.  To continue to raise the profile of sport across the Academy through launch of our new playing field.	Year 6 sports and playground leaders to set up. Selected children to lead a variety sport with pupils across the Academy.  Invite football players from Stoke City and Port Vale into school to open our new playing field.  Year 5 and 6 to be invited to a careers workshop in January 2024 at Port Vale.	£138	Children will develop their leadership and communication skills. Sports leaders to be recognised and rewarded by attending an annual awards evening in July 2024 at Port Vale.  Children will be aware of future career possibilities within sport.	To promote and value Sports Leadership opportunities across the school. Reward and celebrate achievements to encourage future Y6 Pupils to apply for this role.  Children will be inspired to progress into a range of sports careers.

**Key indicator 4: Offer a broader and more equal experience of a range of sports and physical activities to all pupils** **Percentage of total allocation: 79.7%**

School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:																																																																																								
<p>Offer a variety of clubs to SEN children to close the gap in targeted areas such as fundamental movement skills.</p> <p>To provide additional swimming provision to pupils who are not able to meet the swimming requirements of the National Curriculum.</p>	<p>Children in Y1-Y6 who are under achieving in PE are invited to our weekly intervention clubs after school.</p> <p>School to continue working with Water Stars swimming coaches to provide weekly swimming lessons for all 510 pupils.</p>	<p>Cost per pupil £2.40 per week.</p> <p>Cost from sports premium.</p> <p>Additional spend to be taken from school budget.</p> <p>Cost per month £3833.33 per month.</p>	<p>Track % of children who are meeting the expected standard for their age within PE lessons. **Key indicator 5: Increase participation in competitive sport** **Percentage of total allocation: 13.2%**

School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:

To increase participation in entering competitions with local schools.	To be a part of the Longton Sport Association.	£130	Track % uptake of pupils attending competitive sports and clubs.	An increased amount of children will gain a sense of achievement within sport which will encourage children to participate in sport long-term.
To further enhance opportunities for confident/gifted swimmers to extend skills above those outlined in the National Curriculum.	To offer a gifted and talented swimming club to pupils in KS2. To offer gifted and talented club for girls football.	35 weeks £2,520	Track % uptake of pupils attending gifted and talented swimming and football club.	

**Evaluation – To be completed July 2024**

**Key indicator 1: Increase all staff’s confidence, knowledge and skills in teaching PE and sport**  
 CPD opportunities provided to staff to improve the quality of teaching in PE and support given to PE teacher to manage conflicts whole school, for example, new behaviour strategy has been implemented on school grounds where PE is taught. Implementing this strategy has helped to promote the learning within lessons and during club times allowing staff to feel more confident when teaching and managing behaviour.

**Key indicator 2: Increasing engagement of all pupils in regular physical activity and sport**  
 Children are consistently more active for sustained periods of times regularly throughout the day. Port Vale have run clubs with Y1, Y2, Y3 and Y4 from September to April (16 pupils). 16 Y6 are taking part in a football after school football club from April to July. Children are engaging well with sports club and these clubs have high attendance.

**Key indicator 3: Raising the profile of PE and sport across the school, to support whole school improvement**  
 8 Year 6 playground leaders are helping to raise the profile of PE and sport across the Academy. Port Vale came to the opening of our new all-weather pitch on Thursday 9<sup>th</sup> November 2023. Year 6 playground leaders have been leading several activities on the KS1 playground to help them develop and learn leadership skills. Because of their active role, KS1 children are engaging in more competitive activities during lunch times. 6 of these leaders will be attending a leadership presentation on Wednesday 26<sup>th</sup> June at Stoke City Football Stadium.

**Key indicator 4: Offer a broader and more equal experience of a range of sports and physical activities to all pupils**  
 Baseline 48 children were working towards age related expectation in PE. In April 21 children are now working towards which means 27 pupils across the

Academy are now working at the expected level. SEN clubs have helped to support progress across the Academy as Mr Turner has been focusing on fundamental skills based on assessment within lessons.

Swimming Data – 89.5% of Year 6 pupils are meeting national curriculum requirements.

### Key indicator 5: Increase participation in competitive sport

Sandon has paid subscription fees to Longton Sport Association which has helped to increase our participation in local sports competitions. Selected pupils are attending Athletics events at Northwood in June and July 2024. More local competitions have been arranged with other local schools and we have hosted many competitions on our new all weather pitch.
